Dear Members of Council,

On behalf of the Board of Directors of the Chebogue River Aquatic Club, we respectfully submit this request for consideration of a municipal tax exemption for our organization.

The Chebogue River Aquatic Club is a registered non-profit organization dedicated to promoting safe, accessible, and inclusive aquatic recreation within our community. Our facility is located on leased land from the Department of Natural Resources, and we operate solely for the benefit of our members and the broader community.

We make every effort to keep our annual membership fees at a minimal level to ensure that participation remains affordable and accessible. A significant portion of our membership consists of seniors, many of whom rely on our club not only for recreation but also for social connection and physical well-being.

As a volunteer-driven, non-profit organization operating on leased provincial land and serving a largely senior membership, we respectfully ask that the Municipality of Yarmouth consider granting the Chebogue River Aquatic Club a municipal tax exemption. Such consideration would greatly assist us in maintaining affordable programming and continuing to serve our community.

We appreciate your time and thoughtful consideration of this request and would welcome the opportunity to provide any additional information that may assist in your decision.

Sincerely,

Craig Minard  
Director, Chebogue River Aquatic Club
